

# Officials Equipment

## OVERVIEW

Participants will partake in a controlled scrimmage to experience game-like situations to train and develop their game management skills. Participants must adhere to the instructor's directions to ensure participation is conducted in a safe manner.

### Participant acknowledges that:

1. I will follow the direction of the instructors
2. I will participate as if it is a real game
3. I will participate with respect and listen to all officials on the ice
4. I understand this is a controlled scrimmage for developing officials

## Equipment

Participants are required to have the following equipment

- Helmet (Half Shield or Full)
- Whistle (Full shield requires electronic whistle)
- Shin Guards
- Elbow Pads
- Skates
- athletic cup/jill
- Outer Garments to cover shin guards, elbow pads

**NOTE: Some participants are wanting to try officiating prior to purchasing gear, while others may already have gear. Those with officiating gear are authorized to wear their referee sweater and trousers.**
